Dear Members of the ZBA,

I am also urging you to unanimously vote down any variances in regard to the 233 Hills point Road.

As stated by my colleagues this is a blight on our beautiful Beach and should not be allowed to remain. I agree, we need to take a stand and stop allowing developers, builders and residents to flaunt our zoning regulations and to continue to build even larger monstrosities that do not comply with the approved plans. We must do everything we can to stop this activity and uphold our zoning regulations.

I was crushed when Positano finally had to throw in the towel and wish we could turn back the clock but unfortunately we can't.

We must do everything we can do to stop these nefarious practices Sincerely, Cathy Talmadge RTM District 6
